Project Title

Homeownership Assistance

Project Description

The DMPED Home Purchase Assistance Program is a revolving loan program designed to increase the availability of affordable housing for low and moderate income individuals and families who are part of the District's workforce, with special emphasis on housing opportunities for government employees or service providers, such as teachers, police officers, etc.

To expand affordable and workforce housing opportunities to qualified buyers, DMPED will provide a combination of one or more of the eligible activity incentives available under CFR 570.201(n), "Homeownership Assistance". These incentives include the following: 1) Interest rate and principle subsidy, 2) Making subordinate loans, 3) Acquisition financing, 4) Payment of Mortgage Insurance, 5) Payment of all or part of closing costs, and 6) Payment of up to 50% of down payment costs.

A maximum of \$50,000 in incentives is available for qualified homebuyers; however, additional assistance up to \$35,000 may be provided for homes located in "open" Urban Renewal Plan Areas, which include: Fort Lincoln, Shaw and Downtown.

Project Description

Rehabilitation and Preservation Activities

DMPED proposes to use CDBG funds to finance costs of rehabilitation under the following eligible types of property: 1) Residential property, whether privately or publicly owned, including manufactured housing 2) Commercial or industrial property (but where owned by a for-profit, rehabilitation is limited to exterior improvements of the building and code violations), and 3) Other nonprofit-owned, nonresidential buildings and improvements not considered public facilities or improvements.

Housing Rehabilitation Revolving Loan Fund

DMPED will establish a Housing Rehabilitation Loan Fund to provide below-market interest rate loans to private individuals and entities (profit or nonprofit) to acquire, rehab and preserve affordable housing in targeted neighborhoods of the District. 3. Energy Conservation

Activities clearly designed to conserve energy for the benefit of residents within the grantee’s jurisdiction.

Technical Assistance

This provision makes DMPED eligible to use CDBG funds to increase its own capacity or increase the capacity of other public or nonprofit entities to carry out eligible neighborhood revitalization or economic development activities. DMPED will determine that the activity for which capacity is to be built is eligible and that there is a reasonable expectation that a national objective can be met.

***In Rem**

Per this provision, which has not been incorporated into the regulations, but is available for use, DMPED proposes to provide assistance to housing units acquired through “tax foreclosure proceedings”. Specifically, this provision authorizes activities necessary to make essential repairs and payment of operating expenses needed to maintain the habitability of housing units acquired through tax foreclosure proceedings in order to prevent abandonment and deterioration of such housing in primarily low-and moderate-income neighborhoods

It should be noted, the statute clarified that since these expenses are limited to housing located in primarily low-moderate-income neighborhoods, the L/M Income Benefit national objective is to be met through the Area Benefit subcategory.

Economic Opportunity Program Initiatives

Project Description

Micro-Enterprise Loan Fund

The Micro-Enterprise Loan Fund is a program to be administered by DMPED that will provide self-employment and entrepreneurship development and assistance to low-moderate individuals as well as business expansion opportunities to existing micro-enterprise owners. The fund will target low-income communities with capital for business creation/expansion, or training and development.

Pre-Apprenticeship Readiness Training (P.A.R.T)

The P.A.R.T program will be administered by DMPED and will provide a strategic and structured curriculum of traditional occupational and supportive services to prepare disadvantaged, very-low, low-and moderate income residents for entry into registered apprenticeship programs leading to a long-term, family-sustaining career. The program combines intense classroom and technical hands-on instruction in the building and construction trades. DMPED, the developer and skill development providers will partner in training.

Neighborhood-Based Activities

Other grants and loans to assist in training low-income persons in establishing a business, needing technical business assistance. In some cases, training may be linked to participation in the micro-enterprise loan fund or other eligible DMPED initiatives.

Franchise Development Initiative

Provision that allows assistance to a private for-profit business, including, but not limited to, grants, loans, loan guarantees, interest supplements, technical assistance, and other forms of support, for any activity where the assistance is appropriate to carry out an economic development project. DMPED proposes to invest in franchised or retail related businesses that complement the organizations development projects and other developments with the District. The investment would support a partnership with a qualified operator or franchisee that will be responsible for the day-to-day operation of the business.

Project Description

Public Facilities and Improvements Program

DMPED plans to use CDBG funds for the acquisition (including L/T leases for periods of 15 years or more), construction, reconstruction, rehabilitation (including removal of architectural barriers to accessibility), or installation of public improvements or facilities (except for buildings for the general conduct of government).

The terms "public facilities" and "public improvements" are broadly interpreted to include all improvements and facilities that are either publicly owned or traditionally provided by the government, or owned by a nonprofit, and operated so as to be open to the general public. This would include neighborhood facilities, firehouses, public schools, and libraries. Public improvements include streets, sidewalks, curbs and gutters, parks, playgrounds, water and sewer lines, flood and drainage improvements, parking lots, utility lines, and aesthetic amenities on public property such as trees, sculptures, pools of water and fountains, and other works of art.

Facilities that provide shelter for persons having special needs are also considered to be public facilities (not permanent housing). Such shelters would include nursing homes, convalescent homes, hospitals, shelters for victims of domestic violence, shelter and Permanent facilities/housing for the homeless, halfway houses for run-away children, drug offenders or parolees, group homes for the developmentally disabled, and shelters for disaster victims.
